POUSADA DE LISBOA
MONUMENT HOTEL

Situada em plena Praça do Comércio, um local de carácter histórico e encanto ímpar, o Grupo Pestana inaugura a Pousada de Lisboa – Terreiro do Paço.
Foi a partir do Castelo de São Jorge que Lisboa nasceu, mas a partir desta Praça que a cidade se expandiu. Após o terramoto de 1755, Marquês de Pombal projectou e reconstruiu toda a cidade, apresentando uma nova organização e arquitectura que ainda hoje subsiste.
Numa praça da cidade marcada pela história como porto de auspiciosas partidas e chegadas, esta nova Pousada redefine o antigo Ministério da Administração Interna, testemunho de grandes decisões. De memórias passadas, recupera-se o património e acrescenta-se um novo valor, oferecendo um produto turístico diferenciado, a Pousada de Lisboa – Terreiro do Paço.
O Terreiro do Paço é um local determinante para conhecer e visitar Lisboa onde é possível desfrutar da paisagem do Rio Tejo e explorar a cidade das sete colinas.

Located in Praça do Comércio, a place with a matchless historical personality and charm, the Pestana Group opens the Pousada de Lisboa - Terreiro do Paço. Lisbon was born in the Castelo de São Jorge, but it was from this square that the city expanded. After the 1755 earthquake, the Marquis of Pombal designed and rebuilt the entire city, introducing new structures and new architectural forms that remain to the present day.
In a town square marked by its history as a port of auspicious departures and arrivals, this new Pousada redefines the former Ministry of Internal Affairs, a witness to great decisions. Past memories are recovered with heritage and enriched with a new dimension, offering a differentiated touristic product, the Pousada de Lisboa - Terreiro do Paço.
Terreiro do Paço is a key starting point to know and visit Lisbon, where you can enjoy the Tagus river landscape and explore the city of seven hills.
